# ROHANTH S R

Channagiri Town, India 577213 | +91 8762598903 | rohanthsr18@gmail.com

## Objective

Motivated MCA student aspiring to become a Software Developer with strong foundations in Java, C, and web technologies. Skilled in Object-Oriented Programming, Data Structures, and Algorithms. Seeking opportunities to apply technical and problem-solving abilities in building innovative and efficient software solutions.

## Education

**Bachelor of Science: Computer Science**
PES Institute of Advanced Management Studies — Shivamogga
CGPA 8.56

**Master of Computer Applications**
Sir M. Visvesvaraya Institute of Technology — Bengaluru
CGPA: 8.2

**PUC**
Government Pre-University College — Channagiri
71.5%

**10th**
Sri Basava International School — Channagiri
73.16%

## Experience

**Web Technology Intern** — **06/2024 to 07/2024**
**PES Institute of Advanced Management Studies**

- Completed an 80-hour internship focused on frontend web development using HTML, CSS, and JavaScript.
- Built and tested responsive web pages, ensuring better usability and design consistency.
- Gained practical exposure to debugging and modern web development workflows.

## Skills

- Java
- C
- JavaScript
- HTML
- CSS
- Object-Oriented Programming
- Data Structures and Algorithms
- Responsive Web Design
- GitHub

## Projects

**AI-Based Skill Gap Analyzer and Personalized Learning Recommendation System**

- Developed an AI-powered web application to identify user skill gaps and recommend personalized learning paths.
- Extracted and analyzed resume data using **Python**, **pdfplumber**, and **spaCy** for NLP-based skill extraction.
- Matched user skills with job profiles using **cosine similarity** and integrated **YouTube** & **Coursera APIs** for course recommendations.
- Built an interactive **Streamlit** dashboard with **Plotly** visualizations for real-time skill insights.
